Celebrate like in historic times

Celebrate where the European aristocracy once resided - at the Grand Hotel National, the first hotel on Lucerne's lakeside promenade. César Ritz, probably the most famous hotelier of all time, was the first director to lay the foundations for the international top hotel industry here.

Those who celebrate with us experience the unique location and breathtaking view, the historic ambience, the first-class service and the exceptionally creative cuisine.

Take advantage of the wide range of possibilities offered by our hotel:

from festive receptions in the garden to aperitifs on the lakeside terrace and exclusive dinners in the magnificent ballroom.

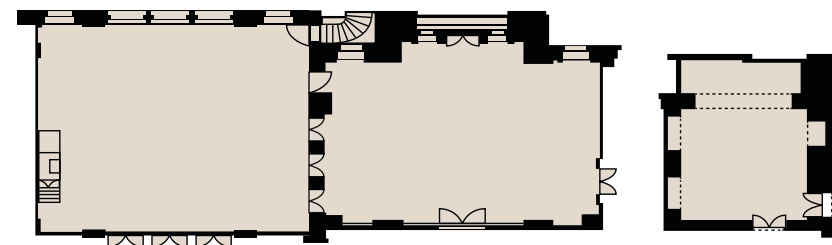

We look forward to planning and organizing your celebration with dedication and attention to detail. Our event team is always on hand to help.

Historic rooms like during Belle Époque

The Belle Époque stands for eternal elegance and carefree enjoyment of life. In our two ballrooms "Ritz" and "Escoffier" or the smaller "Harlekin", this flair can be felt at every turn.

Our rooms impress with their height, stucco work and imposing chandeliers. Festively decorated, they provide the perfect setting for your event. In addition to the wonderful ambience, you can expect a breathtaking view of Lake Lucerne.
